Office waive the extension fee and refund the foregoing amount due to significant Patent Office processing delays as set forth below.

In this regard, Applicants filed a Request For New Office Action on May 18, 2004 requesting that the Examiner issue a new Office Action due to errors contained therein and requesting that the period for reply be reset. A copy of a postcard receipt bearing a Patent Office mailroom stamp dated May 18, 2004 is attached hereto as Exhibit 1.

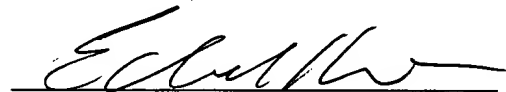

Subsequent to filing the foregoing Request and as of the present date, Applicants have not received a response to the foregoing Request. Applicants' undersigned representative has reviewed the Patent Office's PAIR system to determine whether the Request had been entered and processed, but learned that the PAIR system did not include an indication that the Request has been entered. As of today's date, the Request still has not been entered into the Patent Office's PAIR system. A printout of the PAIR contents as of today's date is attached hereto as Exhibit 2.

On several occasions, and at least as early as July 26, 2004, Applicants' undersigned representative contacted Examiner Brian Yenke to determine the status of the Request. Examiner Yenke informed Applicants' representative that the papers had apparently been matched with the file and were being processed for IFW. However, Examiner Yenke was unable to determine why the Request had not been entered into PAIR, or why there was such a significant delay in processing the Request. Examiner Yenke indicated that he would request that the file be forwarded to him so he could review the request and provide Applicants with a status. Apparently, Examiner Yenke never received the application file and to date, Applicants have not received a status of their Request.

As a result of a nearly 5 1/2 month delay in Patent Office processing, Applicants have been forced to file the present Petition For Extension Of Time and to unjustly pay extension fees. As such, Applicants request that the Patent Office waive the extension fees and that a refund of the \$980.00 being submitted concurrently herewith be applied to Deposit Account No. 06-1205. It is not believed that any fees are due for the Petition to waive fees, but in the event any such fees are deemed necessary, they should be charged to the foregoing deposit account.

Applicants' undersigned attorney may be reached in our Costa Mesa, California office at (714) 540-8700. All correspondence should continue to be directed to our below-listed address.

Respectfully submitted,

Attorney for Applicants
